

The Flower

BING-BONG!

Bear and Bird had a big
day planned.

Bird was early.

“I’ll be out in a minute,”
shouted Bear from his big bed.
“I haven’t just woken up. I promise!”

Bird waited outside on the large
comfy petals of a new flower
and wondered what kind of day
they would have.

The Picnic

Bear and Bird were finally
off on their picnic.

“Have you been to the toilet?” said Bird.

“Yes,” said Bear.

Bear had *not* been to the toilet.

“Did you pack the music player?”

said Bird.

“Yes,” said Bear.

Bear had *not* packed the music player.

“And the deckchairs?” said Bird.

“Yes,” said Bear.

No deckchairs, either.

“And most importantly – have you
packed the picnic?” said Bird.

There was a bit of a pause before Bear said,
“Yes. I’ve packed the picnic.”

Bear had *not* packed the picnic.
